

Coastal Community Credit Union Selects May 4th as Opening Date for its Goldstream Village Location

Vancouver Island, BC – March 12th, 2015: Coastal Community Credit Union, the largest financial services organization based on Vancouver Island and the Gulf Islands, will open its newest location in Goldstream Village on Monday, May 4th, 2015.

News broke in January that Coastal Community would be expanding its operations in the Capital Regional District (CRD) in 2015. Along with the brand new Goldstream Village location, Coastal Community will also modernize its existing Fort Street Insurance office. Once the renovation is complete later this fall, the downtown core will have access to Coastal Community's full suite of financial services—personal and business banking, insurance and wealth management—like its Goldstream Village counterpart.

"Our Victoria team, along with everyone in the organization, is very excited to open our doors to the Goldstream Village community on May 4th," says Moira Hauk, Coastal Community's Regional Manager for South Vancouver Island. She adds, "We offer this vibrant community a look at progressive banking including some truly innovative banking conveniences, highly personalized service and a commitment to making meaningful contributions to the neighbourhood."

Located in Langford Centre at 752A Goldstream Avenue, Coastal Community's newest location will have operating hours of Monday to Friday, 9:30 am to 5:00 pm and Saturdays from 9:30 am to 4:00 pm. Coastal Community experts can also be accessed via the location's Interactive Teller Machine, or ITM, which is the first of its kind in the CRD. The ITM's secure, person-to-person live video capabilities, which provides a full range of teller services, will be available from 8 to 8 Monday through Friday and 8:30 to 4 on Saturdays.
