

Interac e-Transfer AutoDeposit
For an even faster & safer way to receive your money

Activating e-Transfer AutoDeposit through Coastal Community online or mobile banking will make your e-Transfer deposits:

Easier: AutoDeposit eliminates the need to answer a security question before receiving your e-Transfer funds

Simpler: no need to log into online/mobile banking to receive your money because the deposit is done instantly and automatically

Safer: no security question is sent to you through text or email
