Help Us Share Our Community Spirit!

Like seasons past, Coastal Community employees are working to make a meaningful difference in the lives of those in need. While employees are eager to donate their time, expertise, and support to many worthy causes throughout the year, their efforts come out in full force in December because the need is so great.

“Sharing our Community Spirit” is an organization-wide charitable initiative now underway at Coastal Community locations across Vancouver Island and the Gulf Islands. From now until Christmas, employees will be supporting a variety of local causes through in-house initiatives, and are welcoming the support of members, clients, and the general public.
