Coastal Community Credit Union Supports United Way In a Big Way

Nanaimo, BC – April 1, 2014 – Coastal Community Credit Union employees recently donated over \$5,000 to the United Way. Coastal Community also gave a corporate gift of \$5,000 as well as \$1,300 raised through their *Fundraising Fridays* employee program for a total donation of \$11,366. Contributions will support 21 programs serving over 4,400 people under United Way's 'Building Healthy People and Strong Communities' impact area, which also complements Coastal Community's own social commitment.

"I can't thank Coastal Community enough for all their support this year – their staff, managers, members and clients. Along with donating to much needed programs and volunteering on campaigns, staff at Coastal Community was instrumental in helping United Way move to our new office space on Prideaux Street in Nanaimo. They helped us with the mortgage, staff came and painted and even donated office furniture. We wouldn't be saving money through owning our own office or have enough space for all our volunteers without them," said Signy Madden, Executive Director, UWCNVI.

Coastal Community's support means there is a strong network of social services ready to help when help is needed most. This includes mentors for teens, senior visiting programs and caregiver support, restorative justice, people with disabilities, hospice programs to help the grieving and dying and many more.

Coastal Community and United Way also work together to fund and manage Success By 6 programs that support thousands of children and families in our region.

Coastal Community's own Patti Novak from the company's IT department joined the United Way Campaign Team this year, volunteering her time to raise funds. "It's important to me to volunteer at an organization where what I was doing was directly benefitting the people in my area," says Novak. "The programs and services the United Way offers are really, really needed."

Donations to United Way are welcome all year long. Please give at www.uwcnvi.ca or call 250-591-8731 or drop by our office at #9 – 327 Prideaux Street in Nanaimo.
