Coastal Community adds ability to transfer US Dollar funds to online banking

Coastal Community has added another feature to our comprehensive online banking services, making it even easier to manage your money. You will now be able to log in to your account at your convenience to transfer US Dollar funds quickly and securely, saving you time in your day. Coastal Community's posted exchange rate will be used for this transfer, so be sure to confirm your rate by visiting Coastal Community's [Foreign Exchange](#) page.

Please note that transfers totaling \$5,000 US Dollars or more should be completed in branch or by contacting our Relationship Centre at 1-800-741-1010. Any amounts of \$5,000 or more completed online may be subject to an exchange rate change.

Coastal Community's [online banking](#) provides you with secure 24-hour access to your accounts across the internet. If you would like to find out more, please check out our website, stop in or call one of our [branches](#) or call our Relationship Centre (**1-888-741-1010**) to speak to one of our experts.
