

Security alerts directly to your phone or email - And it only takes minutes to set up!

SECURITY ALERTS

Get a text or email every time:

- ▶ your online banking Personal Access Code is changed
- ▶ a new bill payee is added
- ▶ your online banking account is locked due to failed login attempts
- ▶ an Interac[®] online payment is authorized
- ▶ an Interac[®] online recipient is added

Click on Messages & Alerts (online banking) or swipe to Alerts (Mobile App) to set up.

Learn more about these safeguards [here](#).
