Call for Nominations of Candidates for the 2023 Board of Directors Election

We invite you to consider running or nominating someone to run in our upcoming Directors Election! Considered a leader in governance excellence, Coastal Community's Board of Directors ensures our organization has a strategic roadmap for the future which aligns with our vision, purpose and values.

As a Governance Board, we are looking for candidates with diverse backgrounds and skill sets, as we support the value of a diverse board that is representative of our communities and our membership, now and in the future. We embrace and encourage differences in age, colour, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, and other characteristics that will make our board unique. Together, the Directors must bring all the necessary core competencies to:

- negotiate a complex regulatory environment;
- establish corporate goals;
- approve major financial decisions.

Director Nomination and Election Quick Facts

- There are four director positions to fill, each for a three-year term that will start following our Annual General Meeting on May 11, 2023.
- In order to be eligible to stand as a candidate for the Directors Election, members must:
 - be a personal member in good standing since at least January 1, 2022;
 - be a minimum of 19 years of age; and,
 - qualify subject to the Rules of Coastal Community Credit Union and applicable Acts.
- Potential candidates must be sponsored by two Coastal Community Credit Union members in writing through a nomination form, available on our website at cccu.ca or at our branches by request. All Coastal Community members in good standing, including junior members and those administering estates, are able to sponsor a candidate.

Knowledge and Expertise

Having a diverse board that represents the communities we serve and shares the vision we have for our credit union is extremely important. As a result, we encourage members with strong governance backgrounds and a commitment to our values to consider running for director regardless of their particular skill sets. Although all competencies are valuable, we would like to further strengthen our existing Board expertise in the following areas:

Lending—Current experience including oversight or management of retail and commercial lending including an understanding of approval processes, with an emphasis on reporting, credit and geographic risks and regulatory issues surrounding lending activities as they pertain to a financial institution.

Treasury—Current experience including understanding liquidity management, interest rate risk management, foreign currency risk, asset liability management and derivative and capital markets as they pertain to a financial institution and supported by relevant courses and/or designations.

Enterprise Risk Management—Relevant experience, background, and knowledge as an expert in risk management and the holistic view of enterprise risk management as demonstrated preferably in the financial services industry, or any relevant industry, and supported by relevant courses and/or risk management professional designations.

Accountant—A Canadian designated CPA.

Please note: Coastal Community Credit Union's Nominating Committee will be interviewing all candidates. Candidates will be assessed on all areas of expertise, including those identified above. The interview's purpose is to identify and recommend candidates that we believe understand the importance of good governance and will help Coastal Community achieve its vision.

Time Commitment

If you become a new Coastal Community Credit Union Director, you should expect to spend a minimum of 20 hours per month on various duties including preparation for meetings, attendance at Board and committee meetings, orientation activities and community events.

Nomination Entries

Coastal Community Credit Union must receive completed nomination forms no later than 4pm on November 8, 2022. Nominations open on October 3, 2022. Nomination forms and additional information are available at cccu.ca, through our branches, by calling 1.888.741.1010 or emailing communications@cccu.ca.

Your nomination could lead to the opportunity to help steer our Island-based organization with over \$3.3 billion in balance sheet assets, over \$4.2 billion in total assets under management, and over 100,000 members and clients.

Yours truly, on behalf of the Nominating Committee,

Dominique Roelants, Chair, Nominating Committee, Coastal Community Credit Union Board of Directors

Please note that we are required to send this notice to all Coastal Community Credit Union members, including junior members and estates.

Candidate Information Session

Mandatory attendance is required for all candidates.
