

Duc Le

Director (Independent)

Victoria

Term: 2026 – 2029

Duc Le brings more than 40 years of financial management experience across the public and private sectors, including more than six years in Chief Financial Officer roles. Holding a master's degree in economics and finance and four professional designations including Chartered Professional Accountant, he is looking forward to putting his skills to work for Coastal Community Credit Union.

Duc's strengths include board governance, strategic planning, and management. His senior leadership experience spans healthcare, government, and research organizations. He was Vice-President, Corporate Services & CFO at Parkland Regional Health Authority and Chief Finance & Administration Officer at Ocean Networks Canada. He also held director roles with the BC Ministry of Health and the Ministry of Citizens' Services.

With this background, Duc is comfortable setting corporate financial goals and approving major financial decisions, such as annual budgets, long-term planning, and financial statements. In provincial government, he oversaw \$500 million in annual physician compensation, a \$300 million real property portfolio budget, and capital funding for primary care facilities across British Columbia.

Based on Vancouver Island, Duc previously lived and worked in Prince George, giving him valuable insight into both regions served by Coastal Community and Integris. He has always believed in giving back to community. He's currently serving as a Board member and Treasurer for the Juan De Fuca Performing Arts Centre Society in Victoria.
