

Coastal Community brings back outdoor movies with Sunset Cinema

Grab a blanket, some munchies and your family to watch a free movie under the stars.

Tuesday, June 14, 2022 – Vancouver Island, BC: After moving to drive-in movie events over the past two years, Coastal Community is happy to announce Sunset Cinema will return to local parks this summer. If you're looking for a fun, free and family-friendly event, don't miss the chance to watch a movie by the light of the stars.

Thousands of Islanders have enjoyed Sunset Cinema over the years, especially as the proceeds of the concession sales support a local non-profit organization. The drive-in event last summer raised approximately \$10,000 for the Children's Health Foundation of Vancouver Island.

"We were grateful we could pivot to drive-in movies when we needed to," said Allyson Prescesky, Senior Manager, Community and Communications for Coastal Community. "But there's something special about getting together in person that helps build community. We're thrilled to be able to safely offer the big screen in parks across the Island this summer. It's a great way for us to say *thank you* to Islanders for all their support."

If this is your first time catching one of the flicks, remember the movie begins as soon as it's dark, but you'll want to arrive early to find a spot for your blankets, pillows or lawn chairs. And if you want a few snacks, the cash-only concession stand sells popcorn, candy, pop, cotton candy, and glow sticks, all in support of the Children's Health Foundation of Vancouver Island.

Sunset Cinema will be held in new locations in Port Alberni and Campbell River this year. Check out the schedule below or visit the events section of Coastal Community's Facebook page (facebook.com/CoastalCommunityCU) and be sure to RSVP to your community's event.
