

CHECKLIST FOR SELECTING A LAWYER/NOTARY

You need a lawyer (or a notary in Quebec) to protect your legal interests. He or she will review all contracts before you sign them, especially the Offer (or Agreement) to Purchase. Having a lawyer/notary involved in the process will give you peace of mind and ensure that things go as smoothly as possible. This checklist will help you evaluate different lawyers (or notaries) and help you to decide which is best for you.
