

John Newall

Director (Independent)

Nanoose Bay

Director Since: 2019 | Previous Director 1996 - 2018

Term: 2019-2022

John was first elected to the board of Parksville and District Credit Union in 1996. At that time they were one of many small, community-based Credit Unions in the province. Since then John has helped to steer our Credit Union through several mergers so that today, Coastal Community has become the largest community-based credit union on Vancouver Island.

As a Director, John has served on every committee of the Board throughout the years. He has also served as Chair of the Board for ten of his 18 years. Through ongoing education and seminars he continues to build on his experience in order to stay informed of the relevant issues facing credit unions today.

John believes that Coastal Community can play an important role in our communities by continuing to provide relevant services to both our new and potential existing members and clients.
